-

STUDY ABROAD OFFICE VERIFICATION

The ISA Global Ambassador program is designed to encourage ISA alumni to become involved in international education by providing them outreach opportunities on campus. ISA Global Ambassadors will receive direction and support from the ISA Alumni Coordinator in the Austin office. Ambassadors will be paid for organizing and participating in study abroad related activities on campus and are encouraged to work in conjunction with your office. Signing below indicates your support for the student to participate in the ISA Global Ambassador Program on your campus. Please feel free to contact the ISA Alumni Coordinator or your Regional Representative for more information about the program.
