

Optional Withdrawal Protection Plan

ISA Withdrawal Protection guarantees a full refund of the program payment, less the \$95 deposit and withdrawal protection fee. In addition, any add-ons such as housing deposits, late fees, change fees, optional excursions, etc are excluded from withdrawal protection.

To activate this optional plan, submit this form and payment to ISA by the original program payment due date. Participants that purchase withdrawal protection and decide to withdraw must notify ISA **in writing** no later than 5pm CST at least one business day prior to the posted program start date.

The withdrawal protection fee is non-refundable and withdrawal protection coverage is non-transferable to other sessions or participants. Any decision to withdraw from an ISA program on or after the program's departure date will result in no refund.

ISA Withdrawal Protection is dependent upon a program's length and is not eligible for all programs. Withdrawal Protection is not available to late applicants, ISA Internships or EuroScholars programs, or to participants where ISA has a direct billing agreement with the participant's home institution.
